Harmony Student Receives Gold Medal for Project at International Competition

WHAT: Harmony Public Schools' student, Sueda C., is the recipient of a gold medal from, INESPO (International Environment Sustainability Project Olympiad). Her interdisciplinary project "Vascular Geometry in Tumors" combined geometry, statistics, biology, and medical sciences as a PBL (project based learning) project and she won first place in both regional and state wide science fair competitions before receiving the gold medal at INESPO. Sueda is one of only two U.S. students who qualified for the event.

WHEN: June 4, 2015

WHERE: Competition took place in Amsterdam, Holland

WHO: General Public
