Harmony Schools Establish GoFundMe Support for Flood Victims

Houston – Harmony Public Schools, the largest charter school system in Texas, announces that several of its students and their families have been impacted by the recent flooding in Houston and its surrounding areas. Some members of the student body and teaching staff are encountering dire circumstances, such as damage to their homes and vehicles. Harmony Public Schools has created a GoFundMe account to assist the Harmony families that were affected by this natural disaster. Please join Harmony in supporting these local families by donating at <https://www.gofundme.com/2ak8gnhg>.

"As the superintendent of Harmony Public Schools, I would like to express my deepest sorrow for those who have suffered from the flooding this past week. Some of our students and their families are still dealing with the devastating after-effects and need our support. The money raised will be fairly distributed among HPS families in need. We are extremely grateful for any donation you can offer" said Superintendent of Harmony Public Schools Zekeriya Yuksel.
